World of Possibilities Expo

Presented by Caring Communities, Inc.

The Formula for a Successful Expo

Thank you for your interest in our World of Possibilities Expo. We have received an overwhelming response in just a short time. We are confident that exhibitors will experience great success and that attendees will find our Expo extremely meaningful.

WHO WE ARE

A nonprofit 501(c)3 organization with thorough knowledge of and experience in the local disabilities community, we have collaborated with hundreds of local agencies and organizations in MD, DC and VA. Expo proceeds will support families of children with disabilities. Over 50 organizations have signed endorsement forms agreeing to support our Expo, including several national organizations, and many more are signing on all the time.

In addition, the Expo has it's own Advisory Panel composed of leaders in the disability services field. Because we have a vested interest and vast experience in the disabilities community, we understand how to properly serve it.

EXPO MANAGEMENT

The Caring Communities Executive Director is also the publisher of several specialty magazines on the East Coast and has experience successfully running 2000-person showcases for families in Baltimore and the DC area.

TARGETED MARKETING

Marketing of this event will be done locally and nationally. Announcements will be made through Statewide and National disability newsletters, e-mail campaign, thousands of FREE expo passes distributed through local supermarkets, support groups, and websites.

In addition, our marketing plan includes road signs in each area, street banners, radio announcements, TV/cable coverage all offering **FREE coupons** as well as frequent submission of press releases. In addition, both of our Expos will be actively promoted throughout Expo area and surrounding states.

WEB EXPOSURE

Our web site, www.caringcommunities.org, features a World of Possibilities Expo link, high-

lighting information on the Expo exhibitors and offers a **FREE coupon** download. The website will be included on all promotional material and over 100 other websites.

ONE-STOP SHOPPING

The Expo will host a wide array of the latest products and services representing assistive and adaptive technology, automotive, mobility, durable medical equipment, personal care, travel, computer, books and many other industries. Many additional incentives will be offered to increase Expo participation including:

- Informative workshops for both direct service providers and consumers with disabilities
- Interactive demonstrations
- Clowns, magicians, entertainment for everyone!
- Celebrity book signings
- Dignitaries' visits and more!

FEATURES

Exhibitors from all around the country, local support groups, advocacy groups, self advocacy groups and other resources the expo floor. We will offer personal care assistants, sign language interpreters, wheelchair rentals and FREE wheel chair repair! Loads of Family Fun too!

EXHIBITOR BENEFITS

- Very reasonable exhibition space rates (\$13.00 per square ft. and discounted rates for larger spaces) which include a piped and draped booth, table and two chairs, exhibitor sign and waste basket!
- Your company will be listed FREE on our website promoting the Expos.
- FREE Expo passes for your customers
- FREE listing and company description in Expo program.

We invite you to join us at this world-class event in the Baltimore-Washington Corridor.

PAVILION SPONSORSHIP OPPORTUNITIES

SELF ADVOCACY PAVILION

Hands-on support in this pavilion is offered for individuals with disabilities. Statewide and Local organizations will be represented to assist with agency eligibility, benefits planning, transportation services, housing assistance, employment assistance, voter registration and more.

HEALTH AND WELLNESS PAVILION

Several health organizations will offer the attendees a broad range of services from screenings to insightful information regarding mental and physical health. In addition, the importance of healthy living, health/weight screenings, blood pressure screenings, disease prevention, massage, hygiene, diet, will be available.

SPORTS AND RECREATION PAVILION

This is a pavilion concerned with physical activity and disability and offers information and resources that range from popular activities, games, recreational pursuits, and sports that have been adapted to allow people with disabilities to participate as fully as they wish including camps, accessible travel, athletics, etc.

PEDIATRIC SERVICES PAVILION

This pavilion offers families, service providers, and other interested individuals information about advocacy, education, health, recreation, and technical assistance covering a broad array of developmental, physical, and emotional disabilities of children with disabilities.

ELDERLY SERVICES PAVILION

This pavilion will respond to the unique care giving needs of elderly persons with varying degrees of disability and their caregivers. Exhibitors will help identify normal changes in vision, hearing, touch, taste and smell, and assist with choosing high and low tech options.

RESPIRE SERVICES PAVILION

Agencies and organizations representing respite options for all ages will be highlighted. Information will be shared about the respite services provided in the home or in other settings such as a caregiver's home, community locations, a camp, or a respite house.
